ON LAKE ALLATOONA

since 1981

[SAILSWSC.ORG](http://SAILSWSC.ORG)

## FROM THE COMMODORE:

Warmer weather is just around the corner and May begins many of the activities we have been looking for. Raft-ups, cookouts, and cruises along with the races. May 3<sup>rd</sup> is our first Thursday evening race at 6:00 PM. Also this month is the 'St. Thomas Allatoona Cruise' which will be the 18 – 20, Friday, Saturday, and Sunday, a week before Memorial Day. Then Saturday of Memorial Day weekend is our first raft-up followed up with Sunday's noon race and Picnic at the point at 5:00. You won't want to miss the Poker Run which will be part of this year's cruise as well.

Improvements to dock 4 is continuing and new ramps will soon be replacing the summer temporary slips. Docks 3 and 4 will have the fingers and joints reinforced, painted, new boards and rub-rails along with new ramps.

Larry and Alice have graciously volunteered their house for this month's meeting. Meetings are the 2<sup>nd</sup> Thursday of each month with eating around 7:00 PM and a short meeting at 8:00 PM. Larry will be grilling burgers and hot-dogs. Bring your own drinks and come for a great evening.

Clemons has been in touch with the Acworth summer camp program and this year SWSC will be part of the focus. We will be offering some help as they learn about water safety and sailing. The campers will have leaders but our input would be appreciated. They will be making small sailboats and get to race them at the end of the week. The winners will be coming back for a final race July 28<sup>th</sup> and SWSC will be presenting the Acworth Cup to the winner. This is a great opportunity to highlight and promote the club. If you have some time during the summer weeks your input could be used.

See you on the Lake,  
Steve Gully
