

South Winds Sailing Club

ON LAKE ALLATOONA

since 1981

SAILSWSC.ORG

FROM THE COMMODORE: Slightly cooler weather and the winds have returned so if you have not been to the lake lately now is the time to get out. One more skipper of the year race on the 13th and the final long distance race, Turtle Rock, on the 27th. The 27th is also the last picnic at the point, the chili cook off.

Lake levels continue to drop and it is projected to drop four feet below winter pool. Some ramps are closing and it could be April or May before they open. Anyone know a good rain dance they can show us at the Commodores Ball?

Be sure and check the minutes from the last meeting. New officers have been nominated and will be elected at the next meeting. There is also a proposal for racing committee duty procedures to be added to the bylaws.

The next meeting of the SWSC will be October 11th at Barnacles. This is the same place as last months meeting at Barrett and Chastain Meadows, near 575, in front of the Wal-Mart. Because we do not have a set menu and everyone pays their own bill, it is especially hard on the staff so be a little patient and be sure to thank them for their service.

See you at the lake,
Steve Gully

Just one of the many great raft-ups this year. Thanks Joe.

South Winds Sailing Club
Members Meeting
Thursday, September 13.2007
Barnacles Restraunt
